Forecast For Strathclyde
Issued by Met Office Aberdeen
at 0400 on Saturday 09 Jan 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry to start, rain into the afternoon.

Today:
After a dry and bright start to the day it will turn increasingly cloudy through the morning with the chance of the odd spot of rain, but this turning more persistent during the afternoon. Maximum temperature 4 deg C (39 deg F).

Tonight:
Rain will clear to the south during the first part of the night, leaving largely dry conditions, but further rain will push in from the west during the early hours. Minimum temperature -1 deg C (30 deg F).

Sunday:
Cloudy with the chance of patchy rain throughout the day tomorrow, but this turning more persistent at times. Feeling less cold than of late. Maximum temperature 7 deg C (45 deg F).

Outlook for Monday to Wednesday:
Rain pushing southwards on Monday, clearing by late evening. Remaining dry through Tuesday, with rain, sleet and snow pushing in from the southwest later on Wednesday.
